5.a. Request From Samaritan House For \$712,696 For Fiscal Year 2014-15

President Shefren asked if there was public comment on this item. There was none.

President Shefren announced that he is currently volunteering at Samaritan House and would therefore recuse himself from this discussion and vote. He turned the meeting over to Vice Chair Faro and left the room.

Ms. Neela Gentile, interim Executive Director of Samaritan House introduced Dr. Jason Wong, Medical Director of Samaritan House Free Clinic of Redwood City. Dr. Wong reported that for calendar year 2013, the clinic had 3,391 medical visits and 785 dental visits with an average clinic cost of \$173/visit. The number of visits has declined from last year due to the loss of several volunteers which impacted the number of patients who could be seen. They are in the process of recruiting more volunteers. The request for \$712,696, \$100,000 more than last fiscal year, is to cover the expense of a mid-level practioner which would allow for more patients to be seen and also increase the effectiveness of the clinic.

Motion: To approve a grant for 2014-2015 to Samaritan House for \$662,696. By: Director Kane Seconded by: Director Griffin Vote: 3-1 with Director Hickey opposed Motion Passed

President Shefren returned to the meeting.

5.b Presentation on Apple Tree Dental

Mr. Michelson introduced Dr. Michael Helgeson, DDS. Dr. Helgeson reported that in November Apple Tree is planning to open a new San Mateo Center for Dental Health to fill gaps in access to dental care for children, adults, the disabled and elderly confined to nursing facilities living in San Mateo county.

The Peninsula Health Care District has provided \$2 million in special initiative funding that supports the launch of the San Mateo Center. Its financial model is unique in that operating costs are paid from earned revenues and the capital for programs comes from partnering with public, private and nonprofit sectors, thereby leveraging resources.

To extend its services throughout the county, Apple Tree will be seeking support from the Sequoia Healthcare District and will present a formal request in May.

5.c Resolution 14-2 Amending the Trust Agreement for the District Employees Pension Plan

President Shefren asked if there was public comment on this item. There was none.

Motion: To waive reading Resolution 14-2 By: Director Faro Seconded by: Director Hickey Vote: 5-0 Motion Passed The resolution acknowledges the mergers of Sequoia Health Services with Catholic Healthcare West and the name change to Dignity Health. Every reference in the Trust Agreement to Sequoia Health Services is amended to read Dignity Health.

Motion: To adopt Resolution 14-2. By: Director Hickey Seconded by: Director Faro Roll Call Vote: 5-0-0 Motion Passed

Motion: To accept new Board Policy 24: Social Media By: Director Kane Seconded by: Director Faro Vote: 4-1 with Director Hickey opposed. Motion Passed

Mr. Hudak noted that the reference to Executive Director should be changed to Chief Executive Officer to reflect titles used by the District.

5.e. Consider Revising Policy 22 Changing Investment Benchmark

Mr. Michelson reported the District's investment policy references Lehman Government Intermediate Index as the District's benchmark and Lehman no longer exists. For the past several years the District's benchmark has been the Local Agency Investment Fund (LAIF).

Motion: To amend Board Policy 22 By: Director Hickey Seconded by: President Shefren Vote: 5-0 Motion Passed

5.f. Consider Holding Study Session On May 6 At 2:30 To Discuss Transfer Agreement Performance and Future Plans

President Shefren would like to hold a study session to discuss the current status of transfer agreement with Dignity Health as it relates to EBIDA. It is important that the Directors have a complete understanding of the agreement, the funds received to what was projected and information about what the District's accountants have said about the evaluation of Sequoia Hospital audits. If appropriate, an action plan could be decided at the June meeting.

Motion: To hold a special study session prior to the Special Board meeting at 2:30 on May 6 to discuss next steps.
By: President Shefren
Seconded by: Director Faro
Vote: 4-1 with Director Hickey opposed.

President Shefren suggested that Directors contact Mr. Michelson with ideas with suggestions or to request specific information be compiled.

5.g. Award Contract For TI Improvements

Mr. Michelson reported that the District received two bids on the project which were opened after 4:00 PM on March 31. Both bids were reviewed by Bayside Realty to insure base bid items were the same. The low bidder was Amko Construction of San Jose

Motion: To accept the low bid from Amko Construction Co. **By:** Director Faro **Seconded by:** Director Kane

Board of Directors Meeting Date _______ 6 - 4 - 1 4

Activity Summary for April- May 2014

I. Highlights

Much of March through April were spent reviewing grant applications with the CC grants committee and following up with applicants. For the Healthy Schools Initiative, the several weeks leading up to the May 6 Board meeting were spent reviewing HSI grant applications, sub-contractor Scope of Work Forms, and meeting with wellness Coordinators and School district administrators from all 8 school districts to formalize funding requests and action plans for the 2014-15 school year.

This process resulted in the proposal that was presented to the Board just prior to the May 6th meeting. In addition we have revised both our application and reporting process for HSI to help strengthen the connection among the non-profit service providers, wellness coordinators and school district administration as well as to improve accountability and program monitoring and alignment of the program's and school district's goals.

On June 20 from 11a -2p, we will host an Open House here at the SHD Offices where we will provide refreshments and deliver the grant checks to our 2014-15 grant recipients. Board members are welcome (and encouraged) to stop by.

II. HSI and CC Grants

2014-15 Grantees- HSI

- Thank you SHD Board for approving the 12 recommended HSI grants for the 2014-15 grants cycle. These programs greatly contribute to the success of the overall initiative.
- Your approval to expand our support among other school district partners next fiscal year to include part-time Wellness Coordinators will increase capacity for those districts to implement a coordinated approach to student health and leverage additional resources.
- As of May 22, all grant agreements have been sent to new grant recipients along with Scope of work Change Forms where needed
- We will disperse first grant checks on June 20th at the Open House.

Current Grantees- HSI

• Final Reports for the 2013-14 grants cycle are due on June 20th. A summary of these reports will be provided to the Board in early July.

2014-15 Grantees- Caring Community

- Nine of the 32 grantees approved for funding in 2014 are providing new programs and we look forward to getting to know these programs in more depth this year.
- As of May 22, all grant agreements have been sent to new grant recipients along with Scope of work Change Forms where needed
- We will disperse first grant checks on June 20th at the Open House.

Current Grantees- CC Grants

• Final Reports for the 2013-14 grants cycle are due on June 30th. A summary of these reports will also be provided to the Board in late July.

III. PE +

- On May 19th, PE+ Board of Directors met to revisit program goals, procedures, and development for the 2014-15 school year. Some decisions regarding individual school-partner assignments are still pending as of this report.
- Applied Survey Research is expected to be completed with program evaluation of the PE+ by this August.

IV. A few highlights from our School District Partners:

With only a few weeks of the school year to go, the districts are winding down this year, but are gearing up for next. Given that each district outlined their progress this year and priorities and action plans for next year in my report the Board on May 6th, 1 did not request a report from our school partners for this Board report. However, and update since the May 6 meeting is below:

• I am in the process of updating MOU's with each of our school district partners to reflect the proposal and budget approved by the SHD Board on May 6.

• Sequoia Union High School District administration revised their funding request to include a second full time nurse for their district who would primarily serve the medically high need population in their district (Trace students). SHD has been supporting this position half time. Lee has agreed to support this request with the SUHSD sharing in the cost of this position. An increase has been made to the SUHSD budget allocation in the amount of \$25,000.

• Belmont-Redwood Shores updated their financial contribution information which shows a significant increase in the amount they actually support for health and wellness than they originally reported. That update will be provided to the SHD Board at the June 4 Board meeting.

• For the first time, SHD staff along with students from our nursing program will host a booth at the Menlo Park City School District Health and Wellness fair on June 1 where over 4,000 families are expected to attend. Nursing students will be doing blood pressure screenings, our HeartSafe program will be doing hands-only CPR, and Jennifer and I will have a demonstration of sugar-sweetened beverages and promote water first for thirst.

V. Other

On May 15, all SHD staff participated in the annual *Make Time for Fitness* event hosted by Sequoia Hospital's Health and Wellness. Make Time for Fitness brings together all 4th grade students in the Redwood City School District to an event held at Red Morton Park aimed at educating kids on making lifelong healthy choices.

The photos below are from a recent high school cardiac screening held in San Diego County sponsored by the Eric Paredes Save a Life Foundation. Board Member Kim Griffin and I attended the event and volunteered processing the students. Additionally, cardiologists, nurses and others volunteered their time to process 812 students. Nine students were found to be at risk for cardiac arrest. Those students and their parents met with a cardiologist to discuss the findings and to refer them to treatment as necessary.

Transparency Concerns

We have been asked by ACHD to take steps to conform to being a "Transparent District." They have established criteria of what actions must be taken to receive this designation. It is the staff's recommendation that we take the necessary steps to be in full compliance.

We have also been asked by the Grand Jury to comply with recommendations outlined by the Special District Association to become transparent under their criteria. Again it is the staff's recommendation that we also take the necessary steps to comply with this request.

MISSION HOSPICE & HOME CARE HOSPICE HOUSE REQUEST

- We have launched a \$15 million capital campaign to build a Hospice House in the Sequoia Healthcare district boundaries.
- We are actively looking for a location to build the Hospice House and have made one offer on a property in San Carlos.
- We are requesting up to a one-time \$2 million investment that will be secured to the property and/or building assets.
- We plan to "break ground" in 2015 and purchase property in 2014.
- We have hired Sterrin Bird and Marsha Eddleman to lead the campaign and we expect full board and active community support.
- The Hospice House will be available to serve the whole community and we anticipate that over 500 patients and their families will be served in a given year.
- The cost of construction is expected to be around \$9 million and the property is expected to be around \$3 million. The rest of the money will be dedicated to start-up and furnishing of the building.
- Drs. Stephen Weller and Gary Pasternak, Marsha Eddleman and Dwight Wilson, CEO will be at the meeting to address the board and answer questions.

2014-15 Budget Narrative

Income: The projected income for 2014-15 is \$12.25 million compared to \$11.9 million for 2013-14. Tax income is predicted to increase to \$9.5 million and we do not anticipate receiving an EBIDA share from Sequoia Hospital. Per the suggestion of the pension underwriters, we have set the pension expense and off-setting income at \$2.6 million compared to \$2.8 million last year.

Expenses: Projected expenses for 2014-15 are \$12.7 million compared to \$12.4 million in fiscal year 2013-14. Administrative costs have increased because of election costs that were not relevant in 2013-14. Grant expenses are slightly higher with the addition of the grant to Apple Tree Dental and Healthy School support.

Net: We anticipate spending \$469,500 more than we receive which is about \$40,000 less than projected for 2013-14.
